A MESSAGE FROM THE COLLEGE

Welcome to SMBC

Where Excellence in Medicine and Business Begins

Sitti Medical and Business College (SMBC) is committed to producing graduates of the highest academic and professional caliber. We believe admission is the beginning of a transformative journey, one grounded in rigorous learning, ethical practice, and service to community.

Undergraduate admission at SMBC is based on nationally recognized qualifications, including national entrance examinations and preparatory or secondary school certificates, alongside program-specific entry criteria determined by the relevant college or department and approved by the Senate. All admissions conform to national higher education harmonized academic rules and applicable Ministry of Education directives, including FDRE Education and Training Authority (ETA) requirements.

We do not simply seek students who have excelled academically. We seek individuals who are curious, resilient, and committed to contributing meaningfully to Ethiopia's future.

ADMISSION POLICY

Policy and Criteria

Grounded in national standards, shaped by SMBC's commitment to excellence

SMBC's undergraduate and TVET admission policy is grounded in nationally recognized academic qualifications and program-specific entry criteria. All admission decisions must conform to:

- ◆ National Higher Education Harmonized Academic Rules and Regulations
- ◆ Ministry of Education of Ethiopia directives and guidelines
- ◆ FDRE Education and Training Authority (ETA) framework and requirements
- ◆ Program-specific criteria determined by the relevant Department and approved by Senate
- ◆ SMBC institutional values: academic integrity, ethics, and community service

Ethiopian University Entrance Examination (EUEE) Requirement

All applicants for undergraduate degree programs must have sat the Ethiopian University Entrance Examination (EUEE) and achieved the minimum cut-off score set by the Ministry of Education for their chosen program stream. TVET applicants must present their secondary school completion certificate and satisfy the minimum entry score established for their chosen program.

ENTRY REQUIREMENTS

Academic Requirements

Minimum qualifications for undergraduate and TVET admission

Degree Program Requirements

Applicants must hold an Ethiopian Preparatory School Completion Certificate (Grade 11 and 12) or an equivalent recognized qualification. Minimum grade point thresholds are set per program and academic stream (Natural Science or Social Science), in line with Ministry of Education directives.

TVET Program Requirements

TVET applicants must hold an Ethiopian Secondary School Completion Certificate (Grade 12) or equivalent. Applicants must meet the minimum entry score established for their chosen TVET program by the FDRE Education and Training Authority (ETA) and must demonstrate competency in the relevant subject areas.

Transfer Student Requirements

Students transferring from another accredited Ethiopian higher education institution may apply for lateral admission. Transfer applicants must meet the following requirements:

Must have achieved the required grade level for their specific program in the Ethiopian University Entrance Examination (EUEE).

Official transcript from previous institution.

Letter of release from previous institution.

Equal Opportunity Policy

SMBC is committed to equal opportunity in admissions. Qualified applicants are considered regardless of gender, ethnicity, religion, or region of origin, in accordance with Ethiopian higher education equity directives.

IMPORTANT NOTE

SMBC reserves the right to verify the authenticity of all submitted documents. Any misrepresentation of qualifications will result in immediate disqualification and, if discovered after enrollment, cancellation of registration in accordance with the College's academic regulations.

HOW TO APPLY

Application Process

Clear steps from application to enrollment

- 1 Obtain and Complete the Application Form**
 Collect the official SMBC Application Form from the Admissions Office or download it from the College website. Complete all sections in full, in English. Incomplete applications will not be processed.
- 2 Gather Required Documents**
 Assemble all supporting documents: original and certified copies of your school completion certificate, official EUEE score report, national ID or birth certificate, two passport-sized photographs, and any additional program-specific documents.
- 3 Submit Your Application and Pay the Application Fee**
 Submit your completed application form and all supporting documents to the SMBC Admissions Office. The application fee is paid at the time of submission.
- 4 Registration and Enrollment**
 Accept your offer and complete enrollment at the Registrar's Office before the stipulated deadline. Failure to register by the deadline may result in withdrawal of the offer.
- 5 Receive Orientation from the Admins about the College**
 All newly enrolled students attend a mandatory orientation session conducted by the SMBC administration. Orientation covers the College's academic regulations, facilities, student services, program expectations, and campus life to ensure every student is fully prepared to begin their studies.
